# ALFRESCO™

Discover Alfresco™...an innovative program of indoor/outdoor carpets, hand-tufted and flatwoven rugs designed to seamlessly blend luxury with resilience. Gone are the days of compromising between exquisite design and lasting durability. We've redefined floor fashion with a program of high-quality indoor/outdoor carpets and rugs that deliver uncompromised style that is built to last. Crafted from premium solution dyed acrylic and fortified with advanced UV protection, Alfresco™ is made to perform in all elements. This unique combination delivers exceptional durability, making Alfresco™ resistant to ever-changing weather conditions – from wet, cold, to hot and everything in between. The colors stay vibrant and resist fading from sun exposure, while superior construction stands strong against abrasion, keeping its effortless elegance season after season.

Alfresco™ is also engineered to resist mold, mildew, and moisture, making it a perfect fit for cozy interiors and bustling outdoor areas designed to enhance your guests' experiences. And the best part? It's fully customizable! Bring your design visions to life with no limits, and choose from a palette of 56 brilliant colors to create the perfect accent piece for your next project.
