THE Circa *Revival* COLLECTION

Be utterly inspired as Couristan presents the regeneration of a successful, exciting collection. The Circa Revival Collection creates a refreshing diversity with alternative colorways and enhanced designs, adding motifs or texture to create an interesting spin on the original concepts.

3 sub-collections can be identified - Organic Rhythms, Nouveau Twist and Retro Mood each with their own distinctive approach and therefore encompassing this broad subject.

Influenced by one of the most distinctive design movements the collection celebrates the architecture, fashion and interiors of the mid-20th century but with an updated modernized feel. Using a vibrant, lively palette showcasing the designs and appealing to the playful.

The Circa Revival Collection features a variety of concepts typical of the 1950's and 60's infusing both a vintage and futuristic look with layered patterns full of energy and contrast. Bold, contemporary carpet designs with a nostalgic nod to the style of the mid-century modern era.

Organic Rhythms

Organic elements and rhythmic shapes combine to provide multi-layered, captivating designs. A harmony of diverse texture and abstract patterns.
