AMBERGILD

Couristan design studio is proud to present ***Ambergild***.

Drawing together earthen jewels, textiles and raw materials, espousing the eye of a couturier, and fine décor craftsmanship. Each pattern references the opulence of gilding, burnished wooden surfaces, the reassuring accents of architectural form, and the wonder of natural Amber.

Amber, a resin of treasures, capturer of the honeybee, preserver of creation for generations. Colors of glints and shadows range from palest gold to peach, rust and deepest darks.

We wandered through an art collector's boudoir, referencing historic decorative arts, carvings, and mementos from exotic travels.

This collection is a springboard to develop exceptional carpet concepts. Contact your local representative to explore your design and color possibilities.
